CRITICAL WASTE VOLUNTEER AGREEMENT

For all Critical Waste volunteers

Thank you for applying to volunteer with Critical Waste.

This Volunteer Agreement describes the arrangement between Critical Waste and you as a volunteer. The relationship between Critical Waste and its volunteers is entirely voluntary. Neither of us intends any employment relationship to be created either now or at any time in the future.

If you have any queries regarding Critical Waste's Volunteer Agreement, you are advised to contact Critical Waste in writing before submitting your application and paying your deposit. You can do this by contacting volunteer@criticalwaste.co.uk.

This Volunteer Agreement applies specifically to Critical Waste volunteers and applies in conjunction with the terms of entry to any specific festival applied to by you the volunteer. This Volunteer Agreement is subject to change and in light of any changes an update will be sent to you directly.

By signing up to volunteer with Critical Waste, you acknowledge all points stipulated within this document.

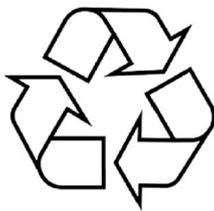

By completing and submitting an application you are agreeing to abide by:

1. The Critical Waste Volunteer Agreement; and
2. Boomtown's General [Terms and Conditions](#).

You acknowledge that any photographs; video; sound recordings taken of you or by you may be used by Critical Waste for any promotional purposes.

You acknowledge that for the safety of the general public prior to arrival on any festival or event site your personal details may be passed to the police to allow for a Police National Computer (PNC) check and/or Criminal Records Bureau (CRB) check to be performed.

During your time volunteering for Critical Waste for the duration of the event we would expect you to behave in accordance with the Volunteer Agreement. Should your behaviour fall below the level of what is expected of you as a volunteer as set out in this Volunteer Agreement and Boomtown's General [Terms and Conditions](#) this may result in the termination of your volunteering duties. It may also lead to your removal from site, a requirement on you to pay any costs to Boomtown that may have been incurred and we also reserve the right not to offer you further voluntary or paid opportunities with Critical Waste as a result of this action.

Borders and Immigration - proving your right to work and volunteer in the UK.

To undertake unpaid voluntary work, as well as paid work in the UK, you must have the right to work either through your citizenship or a work visa. Under the Immigration, Asylum and Nationality Act 2006 Critical Waste is required to check your right to work before we can allow you to start volunteering on the festival site.

This means that before you can start volunteering with us, you will need to produce documentation to prove you have this right. If you do not produce this documentation, we cannot let you volunteer with us. The list of valid proof of right to work is produced by the UK Border Agency not by Critical Waste and these are the ONLY documents that will be accepted by Critical Waste. We need to see the original documents which means you need to bring them to the festival or event site. We also need to hold a copy of the documents.

If you hold either a UK or European Economic Area/Swiss passport or a non-UK/EEA passport with a valid visa showing your right to work/volunteer in the UK this is acceptable proof.

If you do not have a passport, we can accept a long birth certificate AND either your National Insurance card or an official document from a previous employer with your NI number clearly shown.

A UK Driving License IS NOT valid as proof even in combination with a birth certificate or NI card.

DEPOSITS

Paying a deposit does not guarantee your position at an event. Applications are assessed and positions allocated after a deposit has been paid. All deposits are subject to a £15.50 admin charge. Your deposit will be returned to you within 3 weeks of the end of the festival on Monday 17th August 2020. Once your refund has been made, the payment may take up to ten bank working days to hit your account. The email that you receive to let you know that your deposit has been returned will tell you that you have received a partial refund. This is your entire refund, less the £15.50 admin charge.

Some or all of your deposit may be withheld if you:

1. Fail to sign in and out from, or fail to complete any full shift allocated to you;
2. Lose any uniform and/or equipment allocated to you;*

3. Turn up to shift under the influence of drugs and/or alcohol;
4. Miss your onsite briefing;
5. Do not sign in and sign out onsite to your supervisor; **
6. Breach these terms and conditions;
7. Miss your onsite training session.

*For uniform and equipment losses and/or damage Critical Waste may only withhold part of your deposit dependent on the value of the uniform/equipment lost/damaged. Amounts will be set by Critical Waste's Volunteer Manager and are non-negotiable.

** We expect that you will ensure you physically sign in and sign out of every shift. The reason being that if you fail to do this, we can only assume that you have either not turned up to your shift or not completed your shift and you may lose your deposit.

Subject to the above, deposits will be refunded back to the account holder from which the deposit was originally received less the standard £15.50 admin fee provided that you have met the terms and conditions of your specified volunteering role. Critical Waste reserve the right to retain some or all of your deposit where the Volunteer Agreement has not been respected.

We aim to process all deposit returns within 3 weeks from Monday 17th August 2020. It is your responsibility to check the amount you receive and raise any queries or objections regarding deductions made by emailing volunteer@criticalwaste.co.uk no later than 30 September 2020. Any objections or queries raised after this date will not be considered.

If you are not awarded a volunteering position due to failing a PNC and/or CRB check your deposit will be returned post-event less the £15.50 admin fee.

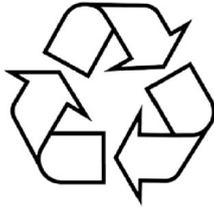

CANCELLATION

Our cancellation deadline is 26 June 2020.

If you decide to cancel your volunteer agreement with us after this time and we are unable to fill your position we reserve the right to retain some or all of your deposit (depending on the circumstances).

If you cancel a Critical Waste volunteer festival application before the cancellation deadline, a £20 cancellation fee + £15.50 admin fee will be deducted from your deposit.

All volunteer applications benefit from a 14 day cooling off period from the date you pay your deposit, during which time you may cancel your application without incurring any charges other than our standard £15.50 admin fee. After this period, you will be charged an admin fee, whatever the reason for your cancellation.

Charges also apply for losing equipment such as Hi-Vis and Radios. Radios will be charged at £285, and Hi-Vis at £5.

To cancel your position, you MUST email volunteer@criticalwaste.co.uk explaining why you need to cancel your volunteer application. You must put the word 'CANCEL' in the subject field.

Staff and volunteers are responsible for their own travel and accommodation expenses.

VOLUNTEERING HOURS

We expect you to be able to commit to volunteer for 3 x 8 hours shifts.

Volunteer shifts may vary but we will not expect them to exceed 8 hours (including one 60 minute break to be arranged at your supervisor's discretion); the time it takes you to sign-in and travel to and from your position is additional to your 8-hour shift.

Where you are unable to volunteer due to self-induced incapacity you may forfeit your volunteering position. Termination of your volunteer agreement for any reason may lead to a deduction or forfeit of your deposit.

Your Volunteering Agreement shall only apply for the duration of the festival and break down days.

Your Volunteer offer is temporary and may be withdrawn at any time due to any of the following reasons:

1. Critical Waste's event licence is revoked.
2. Your behaviour falls below the level of what we expect from our volunteers as set out below.

In the event that you are unclear as to why your volunteer offer has been withdrawn you should apply in the first instance to the Critical Waste on site Volunteer Coordinator. You should make your application by speaking to the Critical Waste Volunteer Coordinator on site who will document your conversation.

If you are still dissatisfied with the decision that you have fallen below what is expected of you as a volunteer after speaking to the onsite Volunteer Coordinator, you can escalate your grievance to the Critical Waste Volunteer Manager in writing to volunteer@criticalwaste.co.uk

WORKING ON AND ACCESS TO SITES

Note that public campsites are not open for Critical Waste volunteer use upon your arrival on site. We therefore provide a dedicated volunteer campsite for all Critical Waste volunteers to camp in. The location of which shall be specified to you in the pre-festival information and on your arrival.

Volunteer meal tickets can only be redeemed at the crew caterer located next to the volunteer campsite.
